

TESTIMONIALS

Hear from some of our current team members on their experiences here at Galgorm.

When I started at Galgorm, I was employed as a Waitress in Gillies Bar and Grill two years ago. Less than a year later I was promoted to Trainee Supervisor whilst attending college course in management. Further promotion to Restaurant Supervisor resulted, and the Company trained me as a Trainer for one to one training and recently as group trainer. I love this aspect of my work, and have been able to combine it with a secondment to Human Resources as HR Assistant during a maternity leave. I am learning so much about employment issues and other aspects of Human Resources and the training I have received is excellent.

Galgorm is not only a great place to stay but also a memorable place to work. I came to Galgorm with no Housekeeping experience nearly four years ago, and was trained as a Housekeeper. Following two way performance reviews, I was eventually promoted to Assistant Head Housekeeper, and I have completed various courses in-company, as training opportunities are excellent. These included Health and Safety, Performance Management, Leadership Skills and an NVQ in Housekeeping, and even a First Aid course recently. Working in this great Resort has allowed me to take part in best practice training and development programmes. All the staff are like a big family and it is a great place to work.

Karen Murdock

From the moment I arrived in Galgorm as a Therapist in 2008, the standards of training have been very high in our beautiful Spa and I have gained huge experience here. We have been trained in several product lines – Eve Lom, Ytsara, and Aromatherapy Associates. I have now been promoted to Head Therapist and been trained by our suppliers to train new staff in usage of products in treatments. New Therapists now receive intensive training to the highest standards required. Our training for customer service also helps us be on top of our game for customers. Galgorm is a diverse and challenging place to work and an enjoyable experience for guests and staff alike.
