PS. YOU DON'T HAVE TO TELL THEM THIS STORY IF YOU WOULD LIKE THE BIG GOOD CHEF TO DO EVERYTHING.

We've all heard the story of the 3 little pigs building their own houses....well this is the story of how the little boars can build their own pizza!

Once upon a time the little boars were very very hungry but they could not decide what they wanted! The big good chef let them choose 2 of their favourite toppings to add to their very own pizza base whilst sat at their table. They were even given aprons & hats to wear to keep their fur nice & clean.

Once finished they gave their pizzas to the big good chef who huffed and puffed until the pizzas were cooked and ready to be gobbled up!
